

**KALOJI NARAYANA RAO UNIVERSITY OF HEALTH SCIENCES: TELANGANA  
WARANGAL 506 002**

**MD UNANI DISSERTATION TOPICS FOR THE ACADEMIC YEAR 2018-19**

Sl.No.	Subject	Topic
1	Ilmul Advia	Clinical evaluation of Unani compound formulation of sumbul-nt-teeb (Wardustachys Jatamaris) and Khulamjan (Alpinia Galangal) in the management of Tashamml Kahid Fatty Liver
2	Ilmul Advia	Scientific evaluation of “Maidaa- Lakdi (Lissea Glutinosa (L)) in the management of “Hudaar” (Arthritis) in a Clinical study
3	Ilmul Advia	To Evaluate the efficacy of Unani compound formulation Beej Band (Sidacarditolialinn) and singhara (Trapa bispinosa rox6) in the management of Oilgospermic in clinical study
4	Ilmul Advia	To evaluate the efficacu of Unani compound formulation (Tukhme utangan Blephesis Tukhme shibt Tukhme gazar and Tukhme Kulthi in ethylene glycol induce urolithiasis in male albino wistar rat.
5	Ilmul Advia	To evaluate Unani drugs Gilo (Tinospora Cordifolia) and Badarikand (Pureria tuberosa) as immune modulators in experimental animals.
6	Ilmul Advia	Evaluation of Anti diabetic potential og Gule Tarwar and Maghz-E- Pambadana in experimental animals.
7	Kulliyat	Asbab –e- Sitta Zarooriyah me Makool Mashroob ki Ahemiyat o Ahkamat (Importance and Principles of Foods and Drinks in Six Essential of Life)
8	Kulliyat	Incidence of Osteo-Arthritis in Women of Different age groups and importance of Diet in it.
9	Kulliyat	Incidence of Hypothyroidism in individual with different temperament and importance of diet in it.
10	Kulliyat	Mukhtaliful Mizaj-e- Ashqas me Naqras ki Waqu Pazeeri Ek Tehqeeqi Mutala
11	Kulliyat	Mukhtaliful Mizaj-e Ashqas me Zatur Riayh ki Waqooh Pazeeri ek Tehqeeqi Mutalah
12	Moalejat	Clinical Study of cervical spondylitis (Iltehb-E-Unu- Qul-Fiqraat) & its management with Unani medicine
13	Moalejat	Therapuetic response of Unani Medicine in the management of osteoarthritis (Tahajjur –e-Mufasil

14	Moalejat	Clinical efficacy of Unani formulation in the management of acne vulgaris (Busoor-e-Labnia) A randomized single blind study
15	Moalejat	Efficacy of Unani medicine in Non –Alcoholic fatty liver (Tashahum-e-Kabidi)
16	Moalejat	A Clinical study of (Dausalab) alopecia areata and its management with leach therapy (Irsal-E-Alaq)
17	Moalejat	A comparative study of Roghan-e-Kahu with khamire-Khashkhaash and Khamire –Khaskhaash alone in the management of sehar (Insomnia ) A randomized trial
18	Moalejat	Therapeutic evaluation of Unani formulation in the management of ( Khillath –e-Krim-e- Mani) Oligospermia
19	Moalejat	Clinical study of renal calculi ( Hisat-Ul- Kulya) and its management with Unani Medicines
20	Moalejat	Therapeutic evaluation of Unani medicines in the management of benign prostatic hypertrophy ( IZM-e-Gudda-e-Mazi Gair Mahmuda)
21	PG Department of Ilmul Advia (Pharmacology)	Development of Pharmcopoeial Standards and Evaluation of Anti-microbial Activity of a Polyherbal Unani formulation Qurs-i Muṣaffi
22	PG Department of Ilmul Advia (Pharmacology)	Physiochemical standardization of Capsule Mubarak, a compound Unani Formulation and its Analgesic, Antipyretic and Anti-inflammatory Activity in experimental animals
23	PG Department of Ilmul Advia (Pharmacology)	Physicochemical Standardization of Safoof-e-Ziabetus and Evaluation of its Antidiabetic Activity in Nicotinamide-Streptozotocin-Induced Diabetic Rats
24	PG Department of Ilmul Advia (Pharmacology)	Standardization, Preclinical Toxicity Evaluation and Anti-microbial Activity of Qurs-i Bel
25	PG Department of Ilmul Advia (Pharmacology)	Development of Pharmacopoeial Standards and Evaluation of Anticancer Activity of a Classical Unani Formulation on Human cancer cell line
26	PG Department of Ilmul Advia (Pharmacology)	Standardization, Development of Standard Operational Procedure (SOPs) and Evaluation of Antimicrobial Activity of A Polyherbal Unani Formulation Qurs-e-Mafasil
27	PG Department of Ilmul Advia (Pharmacology)	Physicochemical Standardization of Majoon Ustukhuddus and Evaluation of its Antiepileptic Activity in experimental animals
28	PG Department of Moalajat (Medicine)	A Randomized, Active-Controlled, Assessor-Blinded, Parallel Group Clinical Study to evaluate the safety and efficacy of Qurs-e-Mafasil in the Management of Waja‘ al-Mafāṣil (Rheumatoid Arthritis)

29	PG Department of Moalajat (Medicine)	A Randomized, Parallel Group, Open Label, Standard Controlled Clinical Study to Evaluate Efficacy and Safety of Unani Formulations (Oral and Topical) in Management of Bahaq (Pityriasis Versicolor)
30	PG Department of Moalajat (Medicine)	A Randomized, Active-Controlled, Assessor-Blinded, Parallel Group Clinical Study to evaluate the safety and efficacy of Asgand and Brahmi in the Management of Qillat-e-Darqiyyat Aşli (Primary Hypothyroidism)
31	PG Department of Moalajat (Medicine)	A Randomized, Parallel Group, Open Label, Standard Controlled Clinical Study to evaluate the efficacy and safety of Marham-e-Akbar in the Management of Nār Fārsī (Eczema)
32	PG Department of Moalajat (Medicine)	A Randomized, Parallel Group, Open Label, Standard Controlled Clinical Study to compare the efficacy and safety of Unani Formulations – Qurs-e-Asfar (O) and Roghan-i-Narjil (L) with Itraconazole (O) and Terbinafine (L) in the Management of Qūbā (Dermatophytosis)
33	PG Department of Moalajat (Medicine)	A Randomized, Active-Controlled, Assessor-Blinded, Parallel Group Clinical Study to compare the Safety and Efficacy of Polyherbal Unani Formulations (O+T) with PUVAsol and Mometasone in the Management of Baraş (Vitiligo)
34	PG Department of Moalajat (Medicine)	A Randomized, Open Label, Active Controlled, Clinical Study to Compare the Safety and Efficacy of Itrifal Shahtra and Marham Hina with PUVAsol and Petroleum Jelly in the Management of Taqashshur al-Jild (Psoriasis)
35	Qabalat-o-Amraz-e-Niswan	The efficacy of Sadaf (Ostrea Edulis) in the management of calcium deficiency during pregnancy ( Khillat – Kalas – fil Hamal)
36	Qabalat-o-Amraz-e-Niswan	A Clinical study of efficacy of jawarish amla in Iron deficiency anaemia during pregnancy ( Faqr Ud Dam Dauran e Hamal Mein Jawarish Amla Ki Taaseer)
37	Qabalat-o-Amraz-e-Niswan	Efficacy of Majoon –e- Hamal Ambari in the management of Oligohydramnios ( Khillate Rahal) A Randomised clinical study.
38	Qabalat-o-Amraz-e-Niswan	Efficacy of Unani medicine in contraception Mana-e-Hamal mein Unani Advia ki Taseer
39	Qabalat-o-Amraz-e-Niswan	Efficacy of Unani medicine in perineal wound care ( Zakhme Ajjan Mein Unani Advia ki Taseer)
40	Qabalat-o-Amraz-e-Niswan	Efficacy of Unani Withdrawl Medicines vs Northisterone in Secondary Amenorrhoea ( Ehtebas Tams Sanavi )
41	Qabalat-o-Amraz-e-Niswan	Clinical study and efficacy of Unani drugs in Adenomyosis ( Adanoom e Mubthene Reham)

42	Qabalat-o-Amraz-e-Niswan	Efficacy of Unani medicine in the management of Pelvic Inflammatory Disease ( Marz-e-Itehab Eaana )
43	Qabalat-o-Amraz-e-Niswan	Efficacy of Unani Medicine in the management of Cervical Erosion ( Taakul – e – Unq – Ur – Reham) A Randomised clinical study.
44	Qabalat-o-Amraz-e-Niswan	Efficacy of Moringaolefera ( Sahejna) among obese women due to PCOS ( Ikiyas e Kushiyaathur- reham )
45	Tahafuzzi-wa-Samaji Tib	“Assessment of Nutritional Status in Female” Patients attending female in patient and Out patients Department at Govt. Nizamia General Hospital, Charminar, Hyderabad, Telangana.
46	Tahafuzzi-wa-Samaji Tib	A Stud on Prevalence of Migraine ( Shaqiqa) in the patients attending outpatient department of Govt. Nizamia General Hospital, Charminar, Hyderabad, Telangana.
47	Tahafuzzi-wa-Samaji Tib	“ A study on Prevalence of Bronchopneumonia” patients attending pediatric out patients and Inpatient department at Muskaan Childrens Hospital Noorkhan Bazar, Hyderabad, Telangana.
48	Tahafuzzi-wa-Samaji Tib	An Observational study on Insomnia (Saher) in Old Age Homes of Hyderabad you are requested to proceed for your research work.
49	Tahafuzzi-wa-Samaji Tib	A study on the prevelance of Dysfunctional utrine bleeding ( dub ) ( Ghair Tabae Kasrat e Tams ) Patinets attending at the outpatient and in patient of Govt. Nizamia General Hospital, Hyd,

WARANGAL 506 002  
PG MD UNANI DISSERTATION TOPICS FOR THE ACADEMIC YEAR 2019-20**

Sl.No.	Subject	Dissertation Topic
1	Ilmul Advia	Evaluation of anti diarrheal & Nephroprotective activity of mastagi rohni in experimental animal
2	Ilmul Advia	To evaluate the efficacy unani drugs in the management of renal failure in experimental animal
3	Ilmul Advia	In vivo study of aftimoon ( Cuscuta Refleon) & Barg-e-Gaozaban ( Barogo Officinalis) for Anti depressent activity.
4	Ilmul Advia	Toxicity and Immunomodelator study of Tiryag-e-Wabai / Tiryag-e-Afai in Experimental animals
5	Ilmul Advia	In vivo study of Rabona ( Matriaria CHAMOMILLA) Khar-e-Khasak ( tribulus terrestris Aeluesoos ( Glychrdhizaglabra) in the management of Izam-e-Ghudde-Mazi ( BPH)
6	Ilmul Advia	Efficacy of Maveez-munaqqah as a Muwallid -e- dam in experimental animals
7	Kulliyat	Ghair Tabee Safra Se Paida Hone Wale Amraaz Ka Ek Tehqeeqi Mutaliah
8	Kulliyat	Istefragh Wa Ehtebas-e- Ghair Tabai Ke Asraat - Nizame Kullya Par Ek Tahqeeqi Mutalla
9	Kulliyat	Istefragh Wa Ihtebas-e- Ghair Tabai Ke Asraat - Tur-Reham aur Reham Par ek Tehqeeqi Mutalah
10	Kulliyat	Hayat-e- Insani Par Naum -o- Yaqza Ki Ehmiyat ( Importance of Sleep and Wakefulness in Human Life)
11	Kulliyat	Mukhtaliful Mizaj Ashkhas Me Warm -e- Masana Ki Waqoo Pazeeri Ek Tehqeeqi Mutaliah
12	Moalejat	Clinical Study of wajah ul zahr (Lumbago) and its management with Hijamal Bil-shurth (wetcupping)
13	Moalejat	Therapeutic Evaluation of unani Formula in the Management of Qillat-e-Ifraz-e Darqiyya-Ibtedai (Primary Hypothyroidism)
14	Moalejat	Clinical Study of Waram Tajaweef-e-Anaf (Sinusitis) and its Managemet with Unani Medicine
15	Moalejat	Clinical Management of Izdiyand-e-Shahm-ud-Dum (Hyper Lipidemia) with Unani Medicine.
16	Moalejat	Clinical Study of Scabies & It's Management with Unani Medicine
17	Moalejat	Clinical Study of Shaqeeqa (Migraine ) and Its Management with Hijamah-Bil-Shurth (Wet Cupping)
18	Moalejat	Clinical Management of Zigtud-Dam Qawi (Primary Hypertension Grade-I With Fasd (Venesection)

19	Moalejat	Efficacy of Bozidan ( Tanacetum Umbliferum Boiss) and Tukhm Karafs ( Aplum Graveolens) in the treatment of Naqrus ( Gout) /A Comparative Randomized Clinical Trail.
20	Moalejat	Clinical Study of warm –e- Masana Hadd ( Chronic Cystitis ) and its management with Unani Medicine.
21	Moalejat	Clinicl Study of Qarah –e- Medi ( Gastric Ulcer ) and its management with Unani medicine.
22	PG Department of Ilmul Advia (Pharmacology)	Physicochemical Standardization and Evaluation of Anticancer activity of a Unani Formulation “ <i>Matbukh Sana</i> ” on Human Cancer Cell Line
23	PG Department of Ilmul Advia (Pharmacology)	Evaluation of Anti-depressant and Anxiolytic Activity of <i>Safoof-i Sawda</i> in Experimental Animals
24	PG Department of Ilmul Advia (Pharmacology)	Development of Pharmacopoeial Standards and Evaluation of Anticancer Activity of a Classical Unani Formulation - <i>Safoof-i Saba</i>
25	PG Department of Ilmul Advia (Pharmacology)	Development of Pharmacopoeial Standards and Evaluation of Antimicrobial Activity of <i>Safoof-i Dama Halদিwala</i>
26	PG Department of Ilmul Advia (Pharmacology)	Standardization and Evaluation of Antimicrobial Activity of a Polyherbal Unani Formulation – <i>Qurs-i Afsanteen</i>
27	PG Department of Ilmul Advia (Pharmacology)	Development of Pharmacopoeial Standards and Evaluation of Antimicrobial Activity of a Polyherbal Unani Formulation – <i>Safoof-i Aslussoos</i>
28	PG Department of Moalajat (Medicine)	A Prospective, Randomized, Parallel Group, Open Label, Active Controlled Clinical Study to Evaluate the Efficacy and Safety of <i>Safoof-i Muhazzil</i> and <i>Arq-i Zeera</i> in the Management of Dyslipidaemia
29	PG Department of Moalajat (Medicine)	A Randomized, Parallel Group, Open Label, Active Controlled Clinical Study to Evaluate the Safety and Efficacy of a Unani Formulation in <i>Kalaf</i> (Melasma)
30	PG Department of Moalajat (Medicine)	A Randomized, Parallel Group, Active Controlled Clinical Study to Evaluate Efficacy and Safety of a Unani Pharmacopoeial Formulation – <i>Iksir-i Shifa</i> in the Management of <i>Ḍaght al-Dam Qawī Lāzimī</i> (Essential Hypertension)
31	PG Department of Moalajat (Medicine)	A Prospective, Randomized, Parallel Group, Open Label, Active Controlled Clinical Study to Evaluate the Efficacy and Safety of a Polyherbal Unani Formulation in <i>the Management of Buthūr Labaniyya</i> (Acne Vulgaris)
32	PG Department of Moalajat (Medicine)	A Prospective, Randomized, Parallel Group, Open Label, Active Controlled Clinical Study to Evaluate the Efficacy and Safety of <i>Habb-i Dard-i Mafasil</i> in <i>Waja’ al-Mafāṣil</i> (Osteoarthritis)
33	PG Department of Moalajat (Medicine)	A Randomized, Parallel Group, Open Label, Standard Controlled Clinical Study to Compare the Efficacy and Safety of Unani Formulation - <i>Roghan-i Zarneekh</i> (T) with Luliconazole (T) in the Management of <i>Qūbā</i> (Dermatophytosis)

34	PG Department of Moalajat (Medicine)	A Randomized, Open Label, Active Controlled, Parallel-Group Clinical Study to Compare the Safety and Efficacy of <i>Joshanda Aftimoon</i> and <i>Tila</i> with Psoralen and Betamethasone Valerate (0.12%) in the Management of <i>Taqashshur al-Jild</i> (Psoriasis)
35	Qabalat-o-Amraz-e-Niswan	A Clinical study of Kasrat-e-Tams Fil Balughat ( Puberty Menorrhagia ) and its Management with Unani Drug.
36	Qabalat-o-Amraz-e-Niswan	Comparative study between alovera and clotrimazole in vaginal thrush
37	Qabalat-o-Amraz-e-Niswan	Clinical study of oligogalactia and its management with unani medicine
38	Qabalat-o-Amraz-e-Niswan	Clinical Study of Chronic Cervicitis ( Warm E Unq Ur Rahem Muzmin) and its Unani Treatment
39	Qabalat-o-Amraz-e-Niswan	Clinical study of Secondary Amenorrhoea due to PCOS and its management with Unani Medicine
40	Qabalat-o-Amraz-e-Niswan	A Clinical study of Unani Medicine in Bad Obstetric History Due to Torch Infections
41	Qabalat-o-Amraz-e-Niswan	Clinical Study of Infertility Due to Luteal Phase Defect and its Management with Unani Medicine
42	Qabalat-o-Amraz-e-Niswan	A clinical study of Amenorrhoea due to Hypothyroidism and its Unani treatment
43	Qabalat-o-Amraz-e-Niswan	A comparative study of Unani single drug Vs Hijama Bila Shurt ( Dry cupping ) in the management of Tashannuj-e-Usr Tams ( Spasmodic Dysmenorrhea )
44	Qabalat-o-Amraz-e-Niswan	Clinical study of Menorrhagia due to defective nutrition ( Kasrath-e-Tams Bawajeh Naqs-e-Taghzia )
45	Tahafuzzi-wa-Samaji Tib	A Study on "Prevalence of Hypertension"
46	Tahafuzzi-wa-Samaji Tib	A Study on "Prevalence of Gastritis in In Patients and Out Patients ATTENDING Govt. Nizamia General Hospital, Charminar, Hyderabad"
47	Tahafuzzi-wa-Samaji Tib	A Study on Prevalence of Cervicitis ( iltehab unq-e-rehem) Patients attending gynaecological Out Patients and In Patients department of Govt. Nizamia General Hospital, Charminar, Hyderabad"
48	Tahafuzzi-wa-Samaji Tib	A Study on Prevalence of Secondary Amenorrhea Due to PCOS patients attending Out Patients of SPM Department and In patients department at Govt. Nizamia General Hospital, Charminar, Hyderabad"
49	Tahafuzzi-wa-Samaji Tib	A Study on Prevalence of Dermatophytosis patients attending out patients and inpatients department at Govt. Nizamia General Hospital, Charminar, Hyderabad"

**WARANGAL 506 002**  
**PG MD UNANI DISSERTATION TOPICS FOR THE ACADEMIC YEAR 2020-21**

Sl.No.	Subject	Dissertation Topic
1	M.D. UNANI (AMRAT-E-NISWAN- WA-QABALAT)	A single Blind Randomised controlled Clinical Trial to Evaluate the efficacy of <i>Fumaria Officinalis</i> Linn. Shahtara Compared with
2	M.D. UNANI (AMRAT-E-NISWAN- WA-QABALAT)	A single Blind Clinical Trial to Evaluate the Efficacy of <i>Fagonia Arabica</i> Linn Badaward in the management of Sal A E Raheem Leefi Uzli Sal A-E-Saleema –E- Rahem ( Uterine Fibroid)
3	M.D. UNANI (AMRAT-E-NISWAN- WA-QABALAT)	Clinical study of Kasrate Tams ( Menorrhagia) due to Akyas Qusyatul Rahem( PCOS) and its managment with Unani Medicines.
4	M.D. UNANI (AMRAT-E-NISWAN- WA-QABALAT)	A randomized Controlled Clinical trial to evaluate the efficacy of Buqoore Maraim as compared to Misoprostol for induction of labor .
5	M.D. UNANI (AMRAT-E-NISWAN- WA-QABALAT)	Clinical Evaluation of Sighr-e-Suddi and its mManagement with Unani Medicines( Breast Hypoplasia / under developed Breast)
6	M.D. UNANI (AMRAT-E-NISWAN- WA-QABALAT)	Efficacy of Tukhme Sambhalu ( <i>Vitex negundo</i> ) in post Menopausal Syndrome ( Multazima-Baad-Az-Inqtaetams) A Randomised Placebo Controlled study.
7	M.D. UNANI (AMRAT-E-NISWAN- WA-QABALAT)	A clinical study to evaluate the efficacy of <i>Acaia Arabica</i> ( Aqaqia) in the management of Uterine prolapse.
8	M.D. UNANI (AMRAT-E-NISWAN- WA-QABALAT)	A comparative clinical study of Unani medicine and clomiphence citrate in induction of ovulation.
9	M.D. UNANI (AMRAT-E-NISWAN- WA-QABALAT)	A comparative clinical study of <i>Tinospora cordifolia</i> ( Gilo) and meteformin on isulin resistance in PCOS.
10	M.D. UNANI (AMRAT-E-NISWAN- WA-QABALAT)	Managemnt of Secondary Amenorrhea ( Ahtebas-A- Tams Sanvi) with Unani drugs in comparison with Meddroxy progesterone Acetate.
11	M.D. UNANI (AMRAT-E-NISWAN- WA-QABALAT)	A Clinical Trial of Majoon E Kundur in Management of Urinary Incontinence in post Hysterectomy and post Menopausal Women ( Silsul Boul Baad inkhate Rahem aur Baad San-E- Yass Ka Ilaj Bazariye Majune E Kundur)
12	M.D. UNANI (ILLMUL ADVIA)	Botanical Identity, Pharmacognostic and phytochemical standards of market sample of Badam Talkh (Bitter Almond)
13	M.D. UNANI (ILLMUL ADVIA)	Standardization and Development of Standard Operating Procedures (SOPs) of a Polyherbal Unani Formulation – <i>Qurs-i-Bawaseer</i>
14	M.D. UNANI (ILLMUL ADVIA)	Standardization and Evaluation of Antiulcer Activity of a Unani Formulation – <i>Safoof Muqliyasa</i> in Experimental Animals
15	M.D. UNANI (ILLMUL ADVIA)	Development of Pharmacopoeial Standards and Evaluation of Antioxidant Activity of a Classical Unani Formulation <i>Safoof-i-Kalaf</i>

16	M.D. UNANI (ILLMUL ADVIA)	Physicochemical Standards and Evaluation of Anticancer activity of an Unani Formulation "Itrifal Aftimoon" on Human Cancer Cell Line
17	M.D. UNANI (ILLMUL ADVIA)	Physicochemical Standardization and Evaluation of Antioxidant Activity of a Polyherbal Unani Formulation – <i>Habb-i-Sana</i>
18	M.D. UNANI (ILLMUL ADVIA)	Physicochemical Standards and Evaluation of Anticancer activity of an Unani Formulation "Matbukh Aftimoon" on Human Cancer Cell Line
19	M.D. UNANI (ILLMUL ADVIA)	Standardization and evaluation of Antidiabetic Activity of a Herbomineral Unani Formulation – <i>Qurs-i-Zayabitus</i> in Nicotinamide-Streptozocin induced Diabetes in Rats
20	M.D. UNANI (ILLMUL ADVIA)	Development of Pharmacopoeial Standards and Evaluation of Antimicrobial & Antioxidant Activities of a Polyherbal Unani Formulation <i>Safoof-i-Kakra Singhi</i>
21	M.D. UNANI (ILLMUL ADVIA)	Evaluation of Daafe Tashannuj ( anti Convulsant activity of Shahme Hanzal ( Citrullus Colocynthis ) and Qarbaq Siyah ( Helleborus Niger ) in Pentylentetrazole ( PTZ ) and maximal electro Shcok (
22	M.D. UNANI (ILLMUL ADVIA)	To evaluate the Dafe-e-Qurooh ( Anti Ulcer activity)of Unani Compound formulation Mufarreh Ahmad Shahi in Ethanol and Aspirin induced Gastric ulcer in Animal Model.
23	M.D. UNANI (ILLMUL ADVIA)	In vivo study of polyherbal formulation Beekh-e- Karafs Apium Graveolens) Rewandchini ( Rheum emodi) Namak e Turb ( Raphanus Sativus linn) with Cholestrol, Cholic acid and Fatty diet
24	M.D. UNANI (ILLMUL ADVIA)	To evaluate the efficacy of Habb-Ur-Rashaad ( Lepidium Sativum L ) and Tukhme Sambhalu ( Vitex negundo) in Letrozole induce polycystic Ovarian Syndrome in female Wistar Rats.
25	M.D. UNANI (ILLMUL ADVIA)	Evaluation of Daaf E Saman E Mufrit ( Anti Obesity) activity of Unani polyherbal formulation RAAL ( Vateria Indica Linn) Barg-e-
26	M.D. UNANI (ILLMUL ADVIA)	In vivo Muhafiz-e- Kuliya ( Nephroprotective ) Study of polyherbal Unani formulation ( Kaknaj ( physalis alkekengi) Chobchini (
27	M.D. UNANI (KULLIYAT-E-TIB)	A review of philosophy of pulse in Unani system.
28	M.D. UNANI (KULLIYAT-E-TIB)	Da ul Salb ( Alopecia Acreata) ki Waqo Pazeeri aur isme hijama bil shurt ( wet cupping ) ki ifadiyat ek tehqeeqi mutala
29	M.D. UNANI (KULLIYAT-E-TIB)	Tashkees-e-marz mein bawl ki ahmiyat wa ifadiyat ek taqabuli mutala.
30	M.D. UNANI (KULLIYAT-E-TIB)	Incidence of Acne Vulgaris in individuals of different temperaments , and effects of dieto therapy and cupping in it .
31	M.D. UNANI (KULLIYAT-E-TIB)	Muqталiful Mizaj-e- Ashqas me quba ki waqu pazeeri ek tehqeeqi mutala.
32	M.D. UNANI (KULLIYAT-E-TIB)	Efficacy of bathing and exercise in obesity.

33	M.D. UNANI (MOALAJAT)	A Randomized, Parallel Group, Open Label, Active Controlled Clinical Study to evaluate the Efficacy and Safety of <i>Safoof-i-Ushba and Roghan-i-Banafsha</i> in the Management of <i>Taqashshur al-Jild</i> (Psoriasis)
34	M.D. UNANI (MOALAJAT)	A Randomized, Parallel Group, Open Label, Active Controlled Clinical Study to compare the Efficacy and Safety of <i>Marham-e-Dād</i> with Terbinafine in the Management of <i>Qūbā</i> (Ringworm)
35	M.D. UNANI (MOALAJAT)	A Randomized, Parallel Group, Open Label, Active Controlled Clinical Study to evaluate the Efficacy and Safety of a topical Herbomineral Unani Formulation in the Management of <i>Kalaf</i> (Melasma)
36	M.D. UNANI (MOALAJAT)	A Randomized, Parallel Group, Open Label, Active Controlled Clinical Study to evaluate the Efficacy and Safety of a Polyherbal
37	M.D. UNANI (MOALAJAT)	A Randomized, Parallel Group, Open Label, Active Controlled Clinical Study to evaluate the Efficacy and Safety of a Unani
38	M.D. UNANI (MOALAJAT)	A Randomized, Parallel Group, Open Label, Active Controlled Clinical Study to evaluate the Efficacy and Safety of a topical
39	M.D. UNANI (MOALAJAT)	A Randomized, Parallel Group, Open Label, Active Controlled Clinical Study to evaluate the Efficacy and Safety of a Unani
40	M.D. UNANI (MOALAJAT)	A Randomized, Parallel Group, Open Label, Active Controlled Clinical Study to evaluate the Efficacy and Safety of <i>Roghan-i-</i>
41	M.D. UNANI (MOALAJAT)	A Randomized, Parallel Group, Open Label, Active Controlled Clinical Study to evaluate the Efficacy and Safety of a Polyherbal
42	M.D. UNANI (MOALAJAT)	The Clinical Study of Iron Deficiency Anemia ( Faqr-ud-Dam Ba Wajah Zoaf-E- Jigar) and its Management with Unani Medicine.
43	M.D. UNANI (MOALAJAT)	Clinical study of Daa Ul Asaab Ba wajah Ziabetes Shakri ( Dibetic neuropathy ) and its management with Unani Medicine.
44	M.D. UNANI (MOALAJAT)	Clinical study on allergic Rhinitis ( iltehab-e-Anaf Hissasi) and its management with Unani Medicine.
45	M.D. UNANI (MOALAJAT)	Clinical study of "Dawali" (Varicose vein) and its management with "FAS D" (Venesection)
46	M.D. UNANI (MOALAJAT)	Clinical study of simple Ovarian Cyst with Unani Treatment (Keesa-e-khusyat-Rehm/Dawera Mubayaz)
47	M.D. UNANI (MOALAJAT)	Clinical Management on Jiryan-e-Mani ( spermatorrhoea) with Unani Medicines.
48	M.D. UNANI (MOALAJAT)	Clinical study on muzmin iltehaab-ul-uzn wasti sadeedi ( chronic Suppurative Otitis Media) and its treatment in Unani medicine
49	M.D. UNANI (MOALAJAT)	Clinical study of recurrent Urinary tract Infections( Tadiya Majari-e-bol Mutwatir ) and its management with Unani medicines.
50	M.D. UNANI (MOALAJAT)	Clinical study of saman mufrit ( obesity) and its management with unani medicine.
51	M.D. UNANI (MOALAJAT)	Clinical study of Ziabetes –e- Shakari ( Diabetes Mellitus type II) & its management with Unani Medicines.
52	M.D. UNANI (MOALAJAT)	A clinical study on Waja-ul- Mufasil ( Rheumatoid Arthritis) and its management in Unani Medicine.
53	M.D. UNANI (MOALAJAT)	A clinical Managemnt of Daus sadaf / Taqashur-e- Jild ( psoriasis) with Unani medicine
54	M.D. UNANI (MOALAJAT)	A single blind clinical trial to evaluate the efficacy of unani formulation in hisat-ul- marara (Cholelithiasis)
55	M.D. UNANI (TAHAFUZI-WA-SAMAJI TIB)	A study on prevalence of Eczema ( Nar Farsi) in patients attending skin outpatient and in patient Department at Govt.Nizamia General Hospital, Charminar Hyerabad.

56	M.D. UNANI (TAHAFUZI-WA-SAMAJI TIB)	A study on prevalence of Oligospermia in patients attending Male outpatient and in patient Department at Govt.Nizamia General Hospital, Charminar, Hyerabad.
57	M.D. UNANI (TAHAFUZI-WA-SAMAJI TIB)	A study on prevalence of Asthenopia due to usage of Digital Devices in patients attending Ophthalmology outpatient department at Govt.Nizamia General Hospital ,Charminar , Hyderabad.
58	M.D. UNANI (TAHAFUZI-WA-SAMAJI TIB)	A study on prevalence of Enuresis ( Baul Filfarash )in patients attending pediatric outpatient Department at Govt.Nizamia General Hospital Charminar Hyderabad.
59	M.D. UNANI (TAHAFUZI-WA-SAMAJI TIB)	A study on prevalence of Vaginitis patients attending Gynecology outpatient Department and in patient department at Govt.Nizamia general Hospital, Charminar Hyderabad.
60	M.D. UNANI (TAHAFUZI-WA-SAMAJI TIB)	An observational study on Health status of School going children affected by school closures during Covid -19 pandemic in Aghapura Locality of Hyderabad.
61	M.D. UNANI (TAHAFUZI-WA-SAMAJI TIB)	A study on prevalence of Leucorrhea ( Sailan ur Raham ) In patients attending Gyneacology outpatient Department at Govt.Nizamia General Hospital , Charminar Hyderabad.
