GENERAL INSTRUCTIONS – ANNUAL EXAMINATION CALENDAR

- | | |
|-----|---|
| 1. | The Annual Examination Calendar – is published for the information of students, affiliated colleges, and all stakeholders of KNRUHS. |
| 2. | The examination schedule provided in this calendar is purely tentative and is subject to change due to administrative exigencies, statutory requirements, directives issued by the Government, NMC, NCISM, NCCH, court orders, or any other unforeseen circumstances. |
| 3. | KNRUHS reserves the right to reschedule, postpone, advance, modify, or cancel any examination(s) mentioned in this calendar without prior notice. |
| 4. | Students and colleges are advised to regularly visit the official KNRUHS website for updates, notifications, corrigenda, and revised schedules, if any. |
| 5. | The exact examination dates, detailed timetables, and related instructions will be notified separately well in advance through official University notifications. |
| 6. | This calendar has been prepared in accordance with the academic regulations, ordinances, and guidelines applicable to the respective courses during the academic year. |
| 7. | Affiliated colleges are requested to plan academic activities, internal assessments, practical examinations, and clinical postings in alignment with this tentative calendar. |
| 8. | In the event of any discrepancy, ambiguity, or requirement for clarification, the decision of KNRUHS shall be final and binding on all concerned. |
| 9. | Students must ensure that they fulfil all eligibility requirements prescribed by the University, including attendance, internal assessment marks, practical training, and any other applicable conditions, before appearing for the examinations. |
| 10. | Publication of this tentative calendar shall not confer any right on any student or institution to claim or demand examinations on the dates indicated therein. |
| 11. | All stakeholders are advised to treat the dates mentioned in this calendar as provisional and subject to revision by the University whenever necessary. |
